

**Automotive Technical Services**

**ARTICULATION AGREEMENT**

This Hudson Valley Community College – Abrookin VoTech Center Articulation Agreement is the result of a collaborative effort of administrative and teaching staff from both institutions. This collaboration, based on the criteria listed in the Cooperative Agreement, resulted in a determination that the following advanced standing possibilities and the standards to achieve them are appropriate and in the best interest of the students at Abrookin VoTech Center and Hudson Valley Community College.

In order to qualify for advanced placement, all Abrookin VoTech Center graduates must meet Hudson Valley Community College's admission standards:

1. To receive articulated credit for AUTO 145, Passenger Car Chassis I, the student must have completed the Abrookin VoTech Center Automotive Repair Program with a minimum of C or 70%
2. Minimum High School Grade Average of 70%
3. Must have 1 unit of math, Algebra or equivalent.
4. Must have valid NYS driver's license.
5. Be recommended in writing by their Abrookin VoTech Center instructor.
6. Enroll in the Automotive Technical Services Degree Program at Hudson Valley Community College

All Abrookin VoTech Center graduates who are accepted for admission to Hudson Valley Community College will receive **three** (3) credit hours advanced standing in the course area of Automotive Passenger Chasis I upon entry to Hudson Valley Community College.

This agreement was developed by:

Anthony Kossmann, Department Chair, Hudson Valley Community College

Patrick Whitton, Automotive Instructor, Abrookin VoTech Center

Advanced Standing credit requires the signed authorization of the department chairperson upon acceptance to the college.
